1	HSBC France	0	General	General	General Comment	No reachability directory : from our understanding, there is no reachability directory for TIPS, it seems to be a lack as issuing bank will have to send a SCTInst before to discover that receiving bank is not reachable
2	HSBC France	0	General	General	General Comment	Interoperability with other CSM is not describe : if not available is a large lack. Please confirm and detail interoperability with other CSM.
3	HSBC France	0	General	General	General Comment	Clarify if recall is available or not
4	HSBC France	0	General	General	General Comment	NTM (Network Time Management) : please clarify if available
